Feature: A separate login for officers

As an officer,
I only want a login specific for officers of the club
So that we can add new horses and create assignments

Feature: Edit an existing horse

As an officer,
I would like to edit the information of an
existing horse (health conditions, difficulty in riding, etc)
So that I can keep their information
up to date on the web page

Feature: Sign up for practice

As a member,
I want to be able to sign up for a specific practice
So that I can be assigned a horse for that practice

Feature: Create a practice

As an officer,
I want to be able to create a practice for a given day
So that members can sign up for that specific practice

Feature: Add a horse to the database

As an officer,
I want to add a horse to the database
So that I can assign the horse to a member
